Dear Waste Pro Commercial Business Customer,

We look forward to providing solid waste services to you and your business as we transition to a new contract with Sarasota County. With the implementation of the new haulers contract, enhancements have been made to improve service delivery, all geared toward strengthening the partnership with our new commercial customers. Here, you will find guidelines for services like roll-off containers, front-load dumpsters, recycling, and other customer needs, as well as contact information. We are excited to become your new commercial hauler and want to hear from you with any questions you may have as we start our new partnership.

Sincerely,
Waste Pro Team

For a roll-off container, please contact Waste Pro for availability and pricing at 941-355-9600.

WASTE AND RECYCLING GUIDELINES

CONTAINER PREPARATION

Dumpsters will be watertight and placed at a single point of collection that is easily accessible.

For consistent service, please ensure the following:

1. Keep lids/doors closed.
2. No obstructions blocking the container.
3. If gated, provide the code or key.

If the dumpster is overfull, an overload charge could be incurred. Report damaged containers to Waste Pro for a replacement if needed.

RECYCLING
